

## Eastern Beaches

*“ A one stop course for photographers who want to get the most out of their camera equipment and start taking great photos “*

My Eastern Beaches courses are a popular and excellent way to bring yourself up to speed with your camera equipment with hands on learning about the features of your camera and how to get the most out of your investment.

The course is designed to teach you the important aspects of photography and how to capture perfectly exposed photo's that are sharp and dynamic. You will receive tips and tricks to creating in camera effects to your shots that you see many professionals create and much more.

All courses come with a detailed course booklet, DVD filled with Photoshop video tutorials and other resources that has taken me years to acquire.
